

Three steps to set up your Sweetspot account
and access memberships or ball credit

STEP 1: Create Account

Sweetspot account

Download the Sweetspot app from the App Store or Google Play. Once installed, select "Create account."

Fill in your information:

- E-mail
- Password
- First name
- Last name
- Phone number

Scan to download the Sweetspot app

STEP 2: Account Management

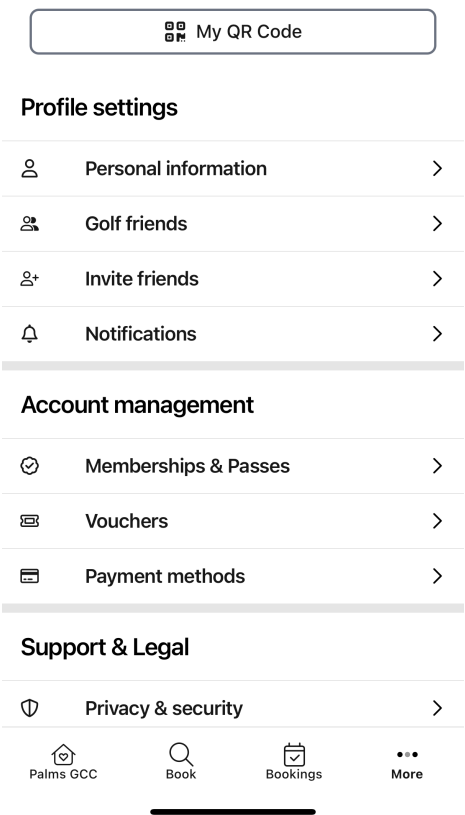

Select “More” on the bottom tab of the app to find your profile.

My QR Code

- “My QR Code” is what you will use to identify yourself at the ball dispenser.
- Place the QR code on the tray beneath the scanner and it will identify your account and any live discounts or credit.

Memberships & Passes

- Find any active memberships or passes you have with Divots here.
- Select the relevant membership or pass to see how much ball credit you have available to use.
- We aim to move any existing ball credit from a previous system the same day of install, though there may be slight delays during this process.

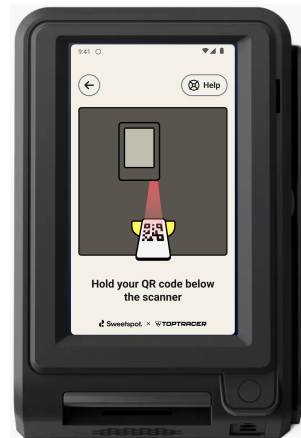

STEP 3: Using Membership & Ball Credit at the Dispenser

- 1 Select “Scan QR Code”**
Tap “Scan QR Code” on the dispenser screen.
- 2 Open your QR Code**
Open “My QR Code” in the Sweetspot app, then place it facing up on the tray.
- 3 Choose a basket size**
Small (40 balls) – \$7 • Large (90 balls) – \$12 • Jumbo (150 balls) – \$15
- 4 Pay**
Use contactless payment (card, Apple Pay, Google Pay) or your available ball credit.

Select “Scan QR Code”

Open your QR Code in the app, then place it facing up on the tray

Choose a basket size

Pay by contactless card or ball credit

If you have any questions or issues with the app, please contact us at info@divotserie.com or message us on Facebook or Instagram.
